Hola Luis,

I just want to flag that normally during the morning of Day 2 of the Council Session, the Secretariat (not the JPAC) keeps the public engaged through CEC presentations or an activity such as the Innovation Jam Session last year. Normally, the JPAC meeting takes place over Day 1 only, and on Day the JPAC is engaged the entire day with the Council. Maybe there was a misunderstanding when I explained it to you.

I also noted a few edits we need to make regarding spaces and attendees. I will forward them to you tomorrow for your consideration/confirmation.

Saludos,

Nathalie
